SUMMER 2023

Canadohta Lake, Union City, PA

First Published May 1, 1932

www.canadohtalake.org

Welcome to the Summer of 2023 at Canadohta Lake! We have been working hard to bring your favorite events to you as well as a couple of new events we hope you will love. CLABA provides all the following events for you: Two Kayak Dice Runs, Firecracker 5k/10k Walk/Run, 4th of July Fireworks, 4th of July Boat Parade, 4th of July Decorating Contest, Bands, Water Battle on the Lake, Rubber Duckee Race, All Boat Tie Up, Cardboard Boat Regatta, Craft Show, Car Cruise, Kids Fish & Fun Day, Putter Golf Tournament, Light up the Night Boat Parade and Christmas Decorating Contest. We do a lot! New this year is Music under the stars and CLABA Olympics where you'll complete a task at participating businesses. We are always looking for volunteers, if you would like to help with any of the events or have ideas for new events, please let us know. Besides our events, you can also enjoy sailing, kayaking, fishing, biking, hiking, golfing, and so much more at the Lake. Canadohta Lake is a great place to be!

Our goal is to help you make memories, whether you are just visiting or live here year-round. We are glad you are here and hope you enjoy your stay. We are an organization of Businesses, Community Members & Volunteers who work hard to bring all this fun to our community. We do our best to serve the lake community while operating our own businesses. Please support our members by patronizing their businesses, so we can continue to grow our Calendar of Events. Please thank our CLABA Board and volunteers when you see them at an event.

Be sure to check our website or Facebook page for updates on our events at www.canadohtalake.org.
"Like Us" on our Facebook page Canadohta Lake Area Business Association - CLABA for up-to-date information for 2023.

IN THE NEWS

CONGRATULATIONS TO OUR NEWESTS BUSINESS OWNERS

THE ANCHOR | 35771 DANNER DRIVE

Ya know.... We wanted to open The Anchor because it just really bothered us and literally broke our hearts that it was sitting there empty, when we know all the memories and fun times that had been made in there!!!

We did this for the whole Canadohta Lake community. We loved to come here ourselves and missed it terribly. We do hope that all this exhausting work and time that we've put into the restaurant is enjoyed by the community and visitors alike. We knew that we'd probably be busy but had NO IDEA how busy we'd really be ! The demand is overwhelming and appreciated !!!

We'd like to thank y'all for all the support and new friendships that we've made along the way !!!

Thanks again, Cyndee and Janine

THE PIER COTTAGE RENTALS | 36053 LAKE STREET

Bryan and Tammy Gromacki are the new owners of The Pier at Canadohta Lake (former Pier 66). Engineers from Penn State, Bryan, Tammy, and their four children have been Canadohta Lake seasonal neighbors since 1995. Bryan (born and raised in Erie), and Tammy's (a native of Puerto Rico) ultimate vision for "The Pier at Canadohta Lake" is to renovate the cottages, install a new dock system, and rebuild the main building into a Café where neighbors and visitors come and enjoy a cup of coffee and home-baked goods.

The goal for 2023 is to have "The Cottages at The Pier" available for rent. The Cottages have private lakefront access and a great view of the lake and sunsets. They also plan to install a dock system in 2023, to be ready for the 2024 season. The docks will offer pontoon parking for access to the Café, and some rental spaces. They hope to begin construction of the new Café during the 2023-24 offseason.

Bryan and Tammy wish to thank everyone who has reached out to share stories or wish us well. Hope to see you soon!

Please follow us on Facebook @thepieratcanadohtalake; email us: thepieratcanadohtalake@gmail.com or call us at (814) 823-5591 or (814) 873-0448 for more information.

LANA'S AT THE LAKE | 35943 LAKE ROAD

John and Tracey Fielding, owners of Brian's Country Market in Little Cooley, are very excited to announce that we will be expanding our takeout business to the lake this summer! The name of the lake store will be Lana's at the Lake. The name is in honor of my late mom, Lana Jane Sterling, who lived within a few miles of the lake most of her life. We lost her to cancer in January 2020. She would have been right by my side cooking, baking, cleaning, etc., she would have loved it!

The location will be at 35943 Lake Road in the red and white building located in front of the original putter golf at "The Retreat at Canadohta." We will be making the same great food and look forward to serving you there as well. Fresh dough pizza, subs, salads, and more will be on the menu.

We are expecting to open on Memorial Day Weekend and will be open 7 days a week, 11:00 a.m. to 9:00 p.m. Call us and order some takeout or stop in and order and play a round of golf while you're waiting. The menu and more information coming soon on Lana's at the Lake Facebook page.

We hope to see you there!

4th of July Boat Parade

July 2, 2023 at 12 Noon at Old Diving Platform
Theme: Anything Goes

Lake Canadohta Historical Society Celebrates Three Years of Great Memories

Just a quick review of all the really great things the LCHS has accomplished since 2020 when they were incorporated.

During the pandemic in 2020 we spent our time getting incorporated and getting the 501C3 certification.

In 2021 we had our first Speaker Series on the Saturday of Labor Day weekend. George Eisentrout was the first distinguished speaker with an excellent program on the history of the Old Hotel on the Southwest side of the Lake. It was very well attended, we used every chair available at the Activity Building of Our Lady of Fatima. It was a great talk and can be viewed on our Facebook group, Lake Canadohta Historical Society,

In 2022 we had three Programs during the summer. Our first program was on the history of Lincolnville and was presented by Dale Burgess and Gayle Geer Amann. The second program of the summer was presented by Andy and Rick Mason. They did an amazing history of the family business, The Canadohta Skating Rink. On the Saturday of Labor Day weekend we hosted a really fun session of "Show us your Treasures". Several "Lakers" showed us some great artifacts and identified some information.

In the fall of 2022 we interviewed Nancy and Harold Higby. They gave us a very interesting history of their life and their cottages, store and campgrounds. We videoed the whole interview and it can be seen on the Lake Canadohta Historical Society Facebook page.

Our speaker's series kickoff for 2023 Season will be an informative session by Baxter Wellmon. He will speak about several cemeteries around the Lake area. Baxter grew up at Canadohta Lake and has a wealth of history of this area. His father owned several businesses at Canadohta Lake, including the Original Putter Golf, the Horse Stables and the Lake View Inn before it became Pier 66. Baxter's talk will be held on Saturday June 10 at 10:30 am at the Activity Building of Our Lady of Fatima on Lake Road.

Stay tuned to our Facebook page and Canadohta Lake Sunny 105.9 Radio where we will be announcing the rest of our 2023 schedule. You can also email us at CanadohtaHistory@gmail.com with any questions or suggestions for future programs.

We have a board of directors and are actively seeking interested people of all ages to volunteer to help us with acquisitions, fundraising, and many other tasks. We have a few slots to fill on our hard-working board. Please think about helping us to ensure generations will have history to remember what things were like back in the day.

We are very interested in talking to people who want to donate their Canadohta Lake and surrounding area treasures and memorabilia. The Society has memberships that help us fund our programs. Our membership program is another way to help our organization raise funds. We offer yearly memberships for single (\$15) family (\$30) or individual lifetime (\$189.40). Our nonprofit is an official 105C3, so we are tax deductible for your convenience,

Big plans are in the works for 2023. A beautiful wood live edge bench with Canadohta engraved on the seat will be raffled off. Local Artist, Billy Steuernagel created this work to support LCHS with our funding. Tickets are \$5.00 each or 3 for \$10. See any board member or tickets can be purchased at the Retreat Gift Shop at 35943 Lake Road. LCHS is also selling the 1952 vintage maps of Canadohta Lake, they can also be purchased at the Retreat Gift Shop. We are hoping to get a website together soon. If anyone has the time and skills to help us with this it would

be greatly appreciated. We also hope to have special commemorative t-shirts later in the season.

Our big dream is to have a physical home for our history center, so that we can display all of the history that we are collecting. Please join as a member. and be part of history.

Thanks to Baxter & Suzanne Wellmon, Butch Prichard and Curt Clark for replacing the Bloomfield Burial Ground sign on Lake Road. The original sign was damaged when a tree fell onto it. Several early settlers of this area are buried there and the community is very proud of this historical site.

In Loving Memory

Canadohta Lake PUTT-OFF

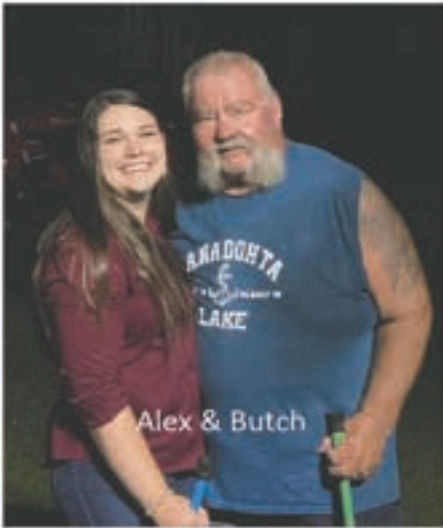

The first annual Canadohta Lake Putt Off was played under the lights at the two Putter Golf courses at Canadohta Lake last year and it was a big success. We had 19 teams enter and 36-hole sponsors and we raised almost \$2000. In addition to the 19 teams, we had a Putt-Off between the owners of the two Putter Golf courses. Alex Hyer (Runners) and Butch Prichard (Retreat Original Putt-R- Golf) played against each other for bragging rights and a donation to a non-profit of their choice. The proceeds were split between CLABA and the non-profit of the winner's choice. Alex won that competition, and her donation went to the Art Center in Union City.

We are hoping for an even bigger turn out this year for the second annual Canadohta Lake Putt Off which will be held on August 5, 2023, at 8pm. This year we will be giving a group prize for the Best Dressed Team – this could be matching shirts or whatever your imagination conjures up – just remember this is a family event! Individual prizes will be given for: Best Hat and Best Socks

Advance registration for the 2023 Canadohta Lake Putt Off is appreciated and can be completed by scanning the QR code listed below. Registration for teams of 4 is \$35 and individual registration is \$10. Individuals will be grouped into teams of 4. You will be playing 18 holes on each of the courses for a total of 36 holes. Once again, this year we will be having the Owner Competition between Alex and Butch for bragging rights and a donation to the non-profit of their choice. All the proceeds from this event will be split between CLABA and the winner's non-profit. Please join in the fun. Hope to see you under the lights on August 5, 2023 at 8pm!

Full time Realtor for 18+ years serving Erie to Pittsburgh, specializing in Canadohta Lake (full time resident). Selling in a resort lake is unlike selling in any other area/home. Unique qualities & restrictions to many areas of the lake, including lake access, boat anchorage rights, as well as docking rights, which requires working hand in hand with the Crawford County Conservation District. I live here so call for a showing today! Your home/property

are listed in Pittsburgh (West Penn MLS) and Erie (GeBOR MLS) as well as advertise in both markets. Top agent producing since 2011.

TOTAL ECLIPSE OF THE SUN!
IT'S NOW OR "NEVER"?

Article By Patricia Corliss Espenak Photo by Frank Espenak

Next April Canadohta Lake will be treated to an unforgettable sight—a Total Eclipse of the Sun—so you might want to make some lake plans for the spring! A total solar eclipse only happens when the Moon passes between the Sun and Earth obscuring the view of the Sun.

Total eclipses of the Sun occur at any place on Earth about every 375 years, but that's just an average. Some places have not had one for over a thousand years! Some places, like Carbondale, Illinois saw the last Total Eclipse on August 21, 2017 and will also see this next one.

April 8, 2024 will be your big chance to experience the Moon's shadow. But, you might ask, what's so special about that. If you were at the lake in 2017, you saw only a partial eclipse because you were outside the path, but that's a far cry from what is coming up next year. Eclipse chasers like to say that on a scale of 1-10, a partial eclipse is about a three and a total eclipse is a million! This time the lake will be inside the path of totality (and hopefully you will be, too).

Your next question might be, "How long will it last?" It can be anywhere from one second to a little over seven minutes. The latest one that grazed the western coast of Australia on April 20, 2023, was only 60 seconds, but next April you will be luckier with about four minutes of totality to enjoy, depending on exactly where you are in the path.

Truly, there is nothing like being in the Moon's shadow as it sweeps across Earth. The sky gets dark, the temperature drops, you might feel a chill— even in summer. It's a mesmerizing event. People shout, jump up and down, utter words not repeatable in front of small children, or even cry. Some have described totality as a hole in the sky. Some say it twinkles. You will have to come up with your own description, but you will find it impossible to truly describe to someone who wasn't there. When it's over everyone wants to know, when's the next one!

On that topic, the next total eclipse that goes through the United States won't be until August 12, 2045! And it won't be visible from Canadohta Lake! So this one is a must see event. And don't think about waiting for the next next eclipse at the lake, because that won't happen until September 12, 2444 and that's not a typo!

But back to April 8, 2024. Every total eclipse begins and ends with a partial eclipse and you will need solar filters to safely view these stages. It is only when the sky gets dark and the Sun disappears completely behind the Moon that is it safe to look with unprotected eyes. In fact, if you don't take your solar filters off then, you won't see anything!

But what still could prevent you from seeing this fascinating event is the weather. Check the weather forecast about five days before and see if it stays the same or keeps changing. If clouds threaten, look for clear spots within driving distance. Try to have a Plan B. That's real eclipse chasing!

For more information and links to this and many other eclipses go to www.MrEclipse.com
And as we say in the eclipse community, "Clear Skies!"

Summer 2023 will be another great season at Canadohta Lake. The weed treatment of Canadohta Lake is always a top priority. The lake treatment cost is \$5200 per year! Notices will be posted advising residents of the application near mid-July.

THANK YOU TO EVERYONE WHO HAS CONTRIBUTED IN THE PAST. WE ARE ASKING FOR YOUR SUPPORT TO PROTECT OUR WATER QUALITY OF CANADOHTA LAKE AND THE BEGINNING STAGES OF A BIKE/WALKING/JOGGING TRAIL!

Here are a few notes about the Lake Authority's funding:

- Your contributions are our only funding source. The Lake Authority is not funded by your tax dollars!
- Our main mission is to assure the quality of Canadohta Lake by continuing the lake treatment & required testing which is a continuous problem.
- We are starting to work on a bike/walking/jogging trail around the lake located off busy roads. We need to acquire a few Right-of-Ways for the trail and would greatly appreciate your help. We have a planned route off busy highways.
- We are continuing to evaluate other projects such as helping public recreational areas around the lake.

Meetings are at 7pm on the second Monday of May, July and September at the Township Building. We encourage you to attend to express your ideas and thoughts. Please provide your email address to help us keep in touch and to minimize our postage costs.

THANK YOU FOR YOUR SUPPORT. YOUR HELP DOES MAKE A DIFFERENCE.

CLABA Boat Water Battle
“More Fun on the Lake”
Pontoon Boats & Kayaks

Looking for a way to cool off on a hot summer day? CLABA would like to welcome everyone to join us on the lake **July 8, 2023 at 1:00 pm** for our Water Battle. Boats will meet out on the lake by the **The Pond diving dock**. You will see two boats that will be the anchor point. Boats will pass by one another using any method possible to soak the opposing boats. Please remember to drive carefully and always be on alert for other boats.

Kayak Dice Run

CLABA is having two kayak dice runs this year. One on June 24, 2023 and one on July 29, 2023. Keep reading on for all the info of what to do to join in on the fun! The fee to participate is \$10. The first 100 entrants get a fun gift that is always a surprise and **everyone gets a Canadohta Lake Coozie**. You start out by registering at The Pond Bar and Grille Pavilion, this can be done on the Friday night before the Kayak Dice Run from 7pm-8pm or the or the day of the Dice Run starting at 9:30. The next step is to put your kayak in the water, and you can do that from anywhere around the lake. There is a boat launch on the west side of the lake that you can use to put your kayak in the water. If you use the boat launch, you will need to have a current launch permit or registration on your kayak. For more information about this see the PA Fish and Boat Commission website at fishandboat.com.

The Kayak Dice Run goes from 10am – 2pm on the day of the run. **This is not a race**. You can start paddling any time you want, you just need to turn your tally sheet in by 2pm to be counted for the prizes. There are 4 manned stations around the lake (See map to the left). When you pull your kayak up to the station you will give the attendant your tally sheet and they will hand you a container of dice to shake. The dice stay in the container and you **stay in your kayak the entire time!** What could be easier? The attendant will write your dice total on your tally sheet, give it back to you and you will paddle on to the next station. Stations can be done in any order that you want. The last station is at the The Pond Bar and Grille Pavilion. You do not need to paddle into this station, you can park up your kayak and drive or walk to the pavilion for your last dice roll. If you do paddle to this station, please do not paddle into the beach area of the Frog Pond!

The last dice roll is at the The Pond Bar and Grille Pavilion. Your dice will be totaled, and you will see how you did compared to others. There is a white board that is used to keep track of the scores. **There are prizes** for First, Second, Third and Lowest score. The prizes are wooden paddles that you will be proud to hang on your wall! The lowest score gets the broken paddle! This is one event (other than golf) where everyone wants to get the lowest score to get the broken paddle trophy! If you love to kayak, you should try this event! See you on the water!

Kids Fish And Fun Day

CLABA would like to invite all families to our annually Kids Fish and Fun Day, Saturday August 5, 2023 at the Frog Pond restaurant. Registration for fishing will start at 10:00 at the Frog Pond Pavilions. Everyone will return from fishing at 12:00 for the Fun Day where the children can enjoy games, prizes, hot dogs w/ chips & drink, cotton candy, and raffles to win big prizes like bicycles. All of the activities are free and funded by CLABA. We can't wait to celebrate all the wonderful kids and families at Canadohta Lake. See you there.

The looks on these kids' faces are why we volunteer!
How could you not want to come and help out?

Light up the Night Boat Parade

Join us Labor Day Weekend Saturday September 2, 2023 at dusk at the old diving dock

Last year, the 15th annual car and truck cruise in was held at the Canadohta Lake Roller Rink. The most succesful turn out in those years was last year. This year, Tina Bulter will be passing the baton to Butch and Debbie Prichard and Barbara Gago. The event will be held this year on Saturday, August 19, 2023. It will be held rain or shine from 12:00 to 4:00 pm. There will be a Chinese Auction and 50-50 while the DJ plays favorite oldies. Stop over and admire the classics of yesteryear. The entrance fee is \$5.00 with a free magnet to the first 100 cars.

All proceeds will benefit the annual fire works display. I would like to thank all of the volunteers who have helped and the businesses who have graciously donated over the years. A special thanks to Lori Miller and family for the use of their facilities.

Volunteers Needed!

Welcome to the Summer of 2023! As always, CLABA has a number of great events for the summer.

Why not think about volunteering for our events this year? We would love to have your help and an extra hand or two make our events run smoothly and make it enjoyable for all.

Our dedicated group of organizers and volunteers help provide that important connection to the lake that builds fun memories for our children and continues the community traditions that make us come back summer after summer.

Volunteers are needed for Advertising, Membership, Breeze, Ticket Sales and all the Events.

Contact any of our CLABA members for more information by calling or emailing the individuals listed under the President’s Message in the front of

The Breeze.

As soon as the warmer weather hits everyone cannot wait to get out on the Lake! If your family is like ours we practically live on the water during the summer months. At any given time, a group of boats all tied up enjoying the sun, the water, family, and friends. Everyone's time on Canadohta should be relaxing and stress free. No matter if you own a boat or you are renting, there are a few safety requirements you need to know. All boat operators are responsible for knowing the rules and regulations in the areas where they boat. Knowing the waters where they are boating, and having the required safety equipment for their watercraft. Operators are also responsible for the actions of all persons on board their boat. Onboard every passenger needs to have a USCG-approved wearable life jacket. In addition to wearable life jackets, boats 16 feet and over must have a USCG-approved throwable device (ring buoy, life ring, or buoyant seat cushion) on board. Canoes, kayaks, and paddleboards, regardless of length, are not required to carry a throwable device. Children 12 years old and younger on Commonwealth waters when underway on any boat 20 feet or less in length are required to be wearing a life jacket. This also applies to all canoes, kayaks, and paddleboards. Boaters are also required, by law, to wear life jackets on boats less than 16 feet in length or any canoe, kayak, or paddleboard during the cold water months from November 1 through April 30.

Motorboats less than 65 feet in length must carry some mechanical means of making a sound signal. This device may be hand, mouth, or power operated. An athletic coach's whistle is an acceptable device for small motorboats. Operators of unpowered boats (canoes, kayaks, rowboats, paddleboards) are required to carry a device capable of sounding a prolonged blast for 4-6 seconds that can be heard by another boat operator in time to avoid a collision. An athletic coach's whistle is acceptable. All powered motorboats are also required to carry a USCG approved fire extinguisher. Fire extinguishers must be immediately available and installed (mounted away from the fuel source). They must be fully charged, in usable (good) condition, and inspected regularly. Make sure everyone on your boat knows the location of the fire extinguisher and its use.

Operators are also responsible for operating at a rate of speed that does not endanger the life or property of any person, or is greater than slow, no-wake speed within 100 feet of the shoreline, docks, launch ramps, swimmers, or downed skiers, persons wading in the water, anchored, moored, or drifting boats, and floats. All boats must also show required running lights between the hours of sunset and sunrise and during periods of restricted visibility, such as fog and heavy rain. During these times, no other lights may be displayed, except those that cannot be mistaken for the required lights or do not impair their visibility, or interfere with keeping a proper lookout. Following these rules and all the other rules located in the Boater Safety Handbook can help ensure a safe summer boating season for everyone at Canadohta Lake. Here's to hoping everyone has a hot and safe 2023 boating season!

For more information on Boater Safety please visit www.fishandboat.com.

BLOOMFIELD SEWAGE PATRON REMINDER

Bloomfield Twp Sewage Authority Patrons are reminded to ensure that sewer lines on your property are kept in good repair to prevent ground water and rainfall run-off from entering the sanitary sewer system. Our system was designed for sanitary use only and cannot handle storm water, gutters, sump pumps or yard/crawl space drainage. Your help to eliminate unnecessary water entry can go a long way to keep our system viable and operating as it was designed to do. Please report any problems or deficiencies promptly to the Sewage Authority at (814) 694-3409.
